<b>Author/contact:</b>	<i>Dora Meredith – Government and Society</i> <i>Oliver Jackson – History and Cultures</i>
<b>Executive Summary:</b>	This motion talks about ensuring the Officer Team are approachable and recognised by all students and are represented around the University campus and not just in the Guild of Students Building. It requires the President to lobby the University to put up notice boards containing the Officer Team information around campus
<b>GOG Recommendation:</b>	<b>Approval</b>

#### Guild – Be seen and heard!

#### **Guild Council Notes:**

---

1. The Guild Officer Team should be approachable and recognised by all students.
2. Students are more likely to approach officers if they know who they are.
3. That the boards which do an excellent job of promoting the Guild Officer Team and when Guild Council is being held, are currently restricted to the Guild.
4. Some students may not visit the Guild frequently, yet should still be informed about who their officer team is.

#### **Guild Council Believes:**

---

1. That all students should be able to recognise the Guild officer team.
2. That further publicising the Guild Officer Team will not only make them more approachable, but also more accountable as more students will know who is working for them.

#### **Guild Council Resolves:**

---

1. That the boards around the Guild publicising the officer team should also be around campus.
2. Additionally, if possible, that the boards should be put up on the main notice-boards in first year halls to familiarise first years with the Guild executive and their positions.

#### **Guild Council Mandates:**

---

1. That the President will lobby the university to have the boards which publicise the Guild officers placed around campus and, if possible, the first year halls.

**Seconded:** Oliver Jackson – History and Cultures
