

Guild of Students
University of Birmingham

External Trustee Information Pack

Welcome from our CEO & President

“ Thank you for your interest in the University of Birmingham Guild of Students and this exciting new opportunity to join our Trustee Board.

The Guild of Students plays a key and pivotal role in the student experience at Birmingham, offering a range of services and activities which not only help to attract students to the University, but which also contribute to a vibrant student experience, as well as supporting the wider sense of community and belonging.

The breadth of the Guild's service and activity portfolio is comparable with other large students' unions in the Russell Group and as an organisation the Guild is well regarded within the sector. As leaders in the field, the Guild has paved the way in key areas such as representation, student groups and societies, social opportunities, events and activities.

Our Officer Team shape everything that we do. Each year seven full-time and six part-time Officers are elected to lead the Guild for the academic year and represent all Birmingham students, ensuring they get the most out of University life.

Full-time Officers also sit across the Guild's strategic and operational committees, providing student leadership and to ensure the issues that matter most to students are represented in decision making throughout the organisation.

The Guild of Students' is ambitious, which is demonstrated in our strategic plan and supporting funding framework. Our ambition is to be a trusted partner of the University and to deliver a best in class students' union.

The Guild's 2022-27 strategy is aligned to University priorities under its strategic framework - Birmingham 2030. We have achieved a significant funding increase to support strategic delivery and growth. The Trustee Board has played a key role in helping to secure this funding and will be instrumental in ensuring that the organisation is able to deliver on its commitments and promises to both students and the University.

Welcome from our CEO & President continued.

The Birmingham community is distinctive, and it is vital for the Guild to remain at the heart of student life with representative and democratic frameworks, services and participative opportunities that are designed to enable students to thrive and flourish.

In response to this our 2022-27 Strategic Plan is focused on the core aims of Engagement & Participation, Representation, and Community & Support. But we know that successful strategic delivery requires the organisational foundations to be strong, and able to support work in these areas. To support this the Guild has and will continue to focus on its funding and financial management, partnerships and relationships, and its infrastructure - both physically and digitally. As one of its strongest assets people and associated culture continue to be a key part of our supporting framework.

We know that our organisational foundations are strong, however, skilled leadership is required to continue to support us through the changes required to deliver at this level.

In this pack, you will find information about our activities, history, strategy and achievements, as well as the structure of our governance and Trustee Board, and information on how to apply for this unique opportunity.

Looking forward to hearing from you.

Warmest regards, ”

Our determined and resilient staff and Officer team have risen to these challenges and worked to ensure the Guild has remained focussed in the delivery of its objectives, and motivated to provide the very best services to students and stakeholders.

As we continue to look at new ways of engaging students and achieving our Strategic Plan, we are also looking at ways in which we can respond to the changing landscape of higher education and the needs of our members.

The role of our Trustee Board is key to the development of a sound and deliverable strategy to make sure we provide the best possible student experience.

Our History

In 1880, Mason College Students' General Meeting established an 'Association of Students' known as Mason College Union; seen as the birth of the modern Guild of Students.

GUILD COUNCIL (1930)

Now, at over 140 years old, the Guild of Students continues to be the voice of Birmingham students. We have a rich and varied history – from a founding member of the NUS, to the 1970s rent strike, pushing the liberation agenda to the forefront, helping battle apartheid and demonstrating against a rise in tuition fees.

Every year, the Officer Team Elections give students the chance to determine who will lead and represent them. The first President of the Guild of Students, was recorded in 1901. The President became a full-time sabbatical position in 1960. Today, the Guild elects seven full-time sabbatical Officers, including the President.

MASS SIT-IN, GREAT HALL (1968)

In 2008, a campus-wide referendum was held to approve the Guild's transition to a Company Limited by Guarantee and included the creation of a Trustee Board. In 2010 the Guild gained charity status.
