

CLEANING ROTA

PROVIDED BY YOUR STUDENT MENTORS

TALK TO US!

Scan the QR code to contact your Student Mentors. If your rota isn't going to plan or you need a chat we're here to help.

This template is flexible, use it in whatever way works for your flat. Here's our suggestions:

- Use magnets to indicate who is responsible. Once they've completed the tasks they can move the magnet to the next person.
- Use a tally system to indicate when you've completed the tasks.
- Add dates or days of the week to the table. Be mindful that plans and timetables change!
